HEN DY HOTEL COVID 19 RISK ASSESSMENT

All employers have a legal duty to carry out a COVID-19 risk assessment,
to reduce risk to the lowest reasonably practicable level by
taking preventative measures:

THE GUEST JOURNEY

TOPIC	OBJECTIVE	STEPS TAKEN	COMPLETED
Should I be going away?	To make sure individuals who are advised to stay at home under existing government guidance do not physically come to the Hen Dy	Clear Government guidance is provided on suspected symptoms and self-isolation. We expect guests to communicate any suspected symptoms to us and therefore not travel.	
Reservations	To avoid guest contact as much as possible.	Most bookings are taken online or over the phone by the owners in their own accommodation with no other staff or guests entering. The estimated time of arrival is also asked for, to limit the number of check-ins at certain times. Any walk-In guests will be treated as a check-in, see below.	
Payment	To avoid guest contact on arrival	All bookings will be paid for at the time of booking if they are on a non-refundable basis or 7 days prior to the arrival date if it is a standard booking.	

Payment cont:		These payments are non-refundable and transferable after this time.	
Cancellations / Insurance		All cancellations made after the 7 days prior to arrival will be non-refundable and transferable, any cancellations due to Covid- 19 will need a test report to confirm this, then a voucher would be issued for the monies paid. All other cancellations should be covered by travel insurance.	
Before Leaving Home	To reduce possible transmission	All guests are advised to take their temperature before leaving home to check they have not got a high temperature (37.8 degrees Celsius or higher). The hotel tests temperatures on arrival so this will save possible exclusion from the hotel and mean you can claim on your insurance and not travel. Staff are also asked to do this and call us if they need to stay at home.	
Guest Arrival at the Property	To minimise contact between staff and guests.	Guests are asked to find parking nearby and ring the bell by the door for access. The bell is to be sanitised after each use by the owners.	
Entering the Property	To reduce possible transmission - Temperature Checks of guests and staff Self-Distancing hand Sanitizing	Guest temperatures may be taken upon entering the property, anyone with a high temperature (37.8 degrees Celsius or above) will be asked to leave as a precaution of the	

		<p>transmission of the virus. This is both for staff and guests.</p> <p>Please always keep 2m apart, only one room/family group can enter at once.</p> <p>Hand sanitizing station is in the hallway by the front door.</p> <p>Self-distancing signs are also on display.</p> <p>This is in operation at staff entrance/exit points too.</p>	
Check-In	To make check-in as fast as possible with minimal contact	<p>Where details are needed these can be given to the owner whilst standing 2 meters away, then guests will be asked to sign the registration card whilst the owner moves away 2m.</p> <p>The room key will be sanitized before check-in and placed in an envelope for the guest.</p> <p>Any payments needed will maintain social distancing rules.</p> <p>The credit card machine will be covered with fresh clingfilm for each transaction and sanitised too.</p>	
Luggage Assistance	To avoid guest contact	<p>Luggage assistance will be offered from check-In point only and not from the car to avoid contact with guest vehicles and to self-distance.</p> <p>If assistance is required staff to sanitize handles of bags/cases and wear gloves.</p> <p>Social distancing to be maintained going to the room.</p>	

Use of Stairs and Corridors	To maintain social distancing and reduce possible transmission	<p>Please do not cross on the stairs or corridors, allow 2m between families/ same party groups. Wait patiently to move about.</p> <p>If you can go up and down the stairs safely without using the handrails please do so, but only if safe.</p>	
Lounge / Honesty Bar	To maintain social distancing	The lounge and honesty bar will be closed to all for sitting in.	
Breakfast	To maintain social distancing and reduce possible transmission	<p>We are only offering room service breakfast which is to be pre ordered on paper or email beforehand.</p> <p>Room service trays will be cleaned before use and staff to wash hands before taking up to room and left outside rooms and collected 30 minutes later.</p>	
Ground Floor Toilet	To reduce possible transmission	Closed to all guests.	
Patio / Smoking Area	To maintain social distancing and reduce possible transmission	<p>Only 1 room / family group allowed per 2-meter space.</p> <p>If this is taken please smoke on the public footpath or seafront area.</p>	

Public Area Cleaning	To reduce possible transmission	More cleaning of the public areas and especially door handles, shared surfaces etc.	
GUEST ROOMS			
Cleaning Prior to Check-in	To reduce possible transmission	<p>When a room has been cleaned for a check-in, all equipment is to be checked so there is no need for any extra incursion into the room during the guests stay. All touch areas etc should be sanitized as the staff member leaves the room and is not to be re-entered until the guest goes in.</p> <p>Staff are required to wear rubber gloves when cleaning the rooms and other PPE if available and change shoes when entering the building. Cleaning schedule made.</p>	
Cleaning during Stay	To reduce possible transmission	<p>Rooms will not be cleaned during your stay if you require extra towels etc please let us know by ringing the bell or email us.</p> <p>So only yourself will enter your room unless there is an emergency.</p> <p>If we do have to enter the room the owners will wear, face mask, visor, apron and gloves and the guests will not be present in the room.</p>	
Toiletries	To reduce possible transmission	All shower/body wash containers are sanitized before check in.	

		We only put 2 toilet rolls per room, if you require more during your stay please ask.	
Bedding	To reduce possible transmission	As we are not allowed to enter your room during your stay unless of emergency, bedding will not be changed. All our linen is externally laundered.	
Towels	To reduce possible transmission	If you require clean towels please let us know, you can then leave the towels outside the room and we will leave clean ones in the same place. All our linen is externally laundered.	
Hospitality Tray	To reduce possible transmission	We have cut down the tea/coffee/milks on each tray. If you require more, please ask. This minimises the contamination of the packets for the next guests.	
If a Guest Develops Covid Symptoms whilst at the B&B	To reduce possible transmission	If a guest presents with symptoms of COVID-19 or is asymptomatic, but declares the need to self-isolate, he/she will be advised to check out and return home to self-isolate, in accordance with government guidance. If the guest shows acute symptoms, has breathing difficulties or where there is potential risk to life, the hotel team will follow government-provided COVID-19 protocols.
